

THE THINKERY – “EVERYTHING IS INTERESTING”

Chris Ruffle Presents:

A Decent Bottle of Wine in China

An Englishman built a Scottish castle and French vineyard in Shandong. Author, financier and wine maker Chris Ruffle did it and will be at the Thinkery to tell the story at 7pm on April 19.

"The book has a bouquet similar to "Mr China" and a crisp fruitiness on the palate reminiscent of "A Year in Provence".

- Graham Earnshaw

There will be a tasting of Treaty Port's gold medal-winning wines
