# THE THINKERY

“Everything is Interesting”

## Screening and Discussion: *Self-Portrait with Three Women* (Zhang Mengqi, 2010)

Kathy Morrow (University of Washington, Seattle) will introduce Zhang's film and lead a conversation after the screening about new documentary filmmaking in China. The 70-minute film combines modern dance with investigations into personal memory and family life to create a compelling reflection on intimate history and the embodied self.

March 22<sup>nd</sup>, 7:30 pm, The Fix
