

THE THINKERY - EVERYTHING IS INTERESTING, NOTHING IS ALLOWED

Graham Earnshaw | On Being A Publisher in China

Sex, Drugs, Rock 'n' Roll and why "1 Country 2 Systems" is a Great Idea

May 3 | 7.30pm | The Fix, Jiashan Lu

Graham Earnshaw founded Earnshaw Books in 2006, and the imprint has since published around 80 books, with lots more on the way. Graham will tell stories of books, authors and situations that are as absurd, humorous and enlightening as they are unique. He will also test the patience of the crowd by playing some songs to punctuate his points.
