

WHAT'S NEXT FOR CHINA'S ROLLERCOASTER STOCK MARKET?

The Thinkery - "Everything is Interesting" Tuesday Nov. 24 at 7:30 p.m. at the Fix

China's stock market, the world's second biggest, entered a bull market this month after massive government intervention. Is the rally sustainable or will we have a repeat of this year's \$5 trillion selloff? Why has President Xi Jinping made a buoyant stock market an important part of his agenda?
