What are current trends in Chinese students going overseas for undergraduate studies? What are their considerations? What has changed and hasn't changed in the pandemic?

[Wesley Chiu](#) is the Founding Board Director of the Changshu Campus of United World College, responsible for student admissions. He is also Co-Founder and Board Member of Project Volunteer Online. He was recently Visiting Fellow at Harvard University, where he researched online education in rural China. Before his current career in education, he was a lawyer for many years. He has been Group General Counsel at GoodBaby and APAC General Counsel at SCA.

*[China Crossroads](#) hosts talks on all topics related to China, including business, foreign policy, and other areas as they relate to China, the idea being that China is both already a "crossroads" of the world and itself at a "crossroads" in terms of its future global influence.
