As AI encroaches on our turf by automating cognitive labor, what can we do to stay relevant and futureproof our careers? This talk will decipher future trends and the nature of AI-wrought disruption, with guidance on how to ride the wave and not fall victim to it.

[Ashley Recanati](#) is the APAC Managing Director of Sauer mann, a solutions provider in life sciences. He has long been on the forefront of new technological developments, and his latest book, [AI Battle Royale](#), addresses the question of how workers can retain their value in a world increasingly dominated by machines and algorithms.

[China Crossroads](#) hosts talks on all topics related to China, including business, foreign policy, and other areas as they relate to China, the idea being that China is both already a “crossroads” of the world and itself at a “crossroads” in terms of its future global influence.
