This talk will provide a deep dive into the history, trends and data on the ecosystem for international schools in Shanghai, including those internationally-oriented schools that enroll both Chinese and foreigners.

[Julian Fisher](#) is the Co-Founder of Venture Education, an award-winning Beijing-based market intelligence consultancy focused on the education sector in China. He is also the Chair Emeritus of the British Chamber of Commerce in China, the CEO of global private school data-platform Schoolata, and the Founding Partner of the boutique education advisory Sanderson Charles. He regularly comments on education in Asia to global media such as FT, Nikkei, the Economist, and Times Higher Education.

[China Crossroads](#) hosts talks on all topics related to China, including business, foreign policy, and other areas as they relate to China, the idea being that China is both already a “crossroads” of the world and itself at a “crossroads” in terms of its future global influence.
