For multinational leaders in China, “China speed” is a daily reality. But how do you explain that pace—and pressure—to HQ offshore? Jonathan Shyu, GM China, IMA Asia, and Al Gabor, Operating Partner at Advent International and IMA Asia Forum Advisory Board Member, are back to push the debate further—following their earlier question: Can multinationals really win in China?

[Jonathan Shyu](#) is the General Manager and Forum Director for China at IMA Asia. He was formerly the Manager of AmCham Shanghai’s Yangtze River Delta Network and was Employee #1 in this network.

[Allan Gabor](#) is Operating Partner at Advent International and Forum Advisory Board Member at IMA Asia. He is also Chairman Emeritus of AmCham Shanghai and Former President of Merck China.

*[China Crossroads](#) hosts talks on all topics related to China, including business, foreign policy, and other areas as they relate to China, the idea being that China is both already a “crossroads” of the world and itself at a “crossroads” in terms of its future global influence.
